RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

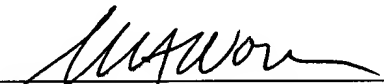

Dear Sir:

Applicant requests reconsideration of the Notice of Non-Compliant Amendment dated December 5, 2001. This notice indicated that the Amendment did not include a clean version of the amended claims pursuant to 37 C.F.R. §1.21(c)(1)(i). Applicant disagrees, because this application is a reissue application, and Applicant submits that amendments in a reissue application are governed by 37 C.F.R. §1.173(b)(2), which clearly states that each changed patent claim and each added claim must include markings pursuant to paragraph (d) of that section.

Section (d) of the relevant section requires that matter to be added by reissue must be underlined. The underlined claims presented in the opening pages of the amendment of November 26, 2001 thus are a clean version of the amended claims, as appropriate for a reissue application.

Please telephone the undersigned attorney if any questions regarding the November 26, 2001 amendment remain, or if any further action is required to ensure that this amendment is entered.

Respectfully submitted,

William A. Webb
